MODIFICATION TO
CASE NO. ZA 2015-2348(ZAI)
ZONING ADMINISTRATOR'S
INTERPRETATION

Lists of Uses Permitted in Various Zones

CITYWIDE

Section 12.21 A.2. of the LAMC provides in pertinent part as follows:

2. Other Uses Determined by Administrator – The Administrator shall have the authority to determine other uses, in addition to those specifically listed in this Article, which may be permitted in each of the various zones, when in his or her judgment, such other uses are similar to and no more objectionable to the public welfare than those listed. The Zoning Administrator shall also have the authority to interpret zoning regulations when the meaning of the regulation is not clear, either in general or as it applies to a specific property or situation.

BACKGROUND

Pursuant to authority contained in Section 12.21 A.2 of the Los Angeles Municipal Code, the Zoning Administrator amended the Lists of Uses Permitted in Various Zones in 2016 to include new land uses determined to be similar to those specifically mentioned in the Comprehensive Zoning Plan.

In the December 2016 Use List Update, several new alcohol-related uses were added, including Wine Bar, Gastropub, Cocktail Lounge, Tavern, and Microbrewery. These uses were interpreted to be similar to eating and drinking establishments, which are permitted by a Conditional Use Permit (CUP) in commercial zones. Thus, the Use List clarified that all of these uses were to be permitted through a CUP in the R5, CR, C1, C1.5, C2, C4, C5, MR1, M1, MR2, M2, and M3 Zones.

The interpretation above also pertains to other establishments that serve alcoholic beverages on-site, such as microdistilleries. While a traditional distillery is industrial in nature, is not regulated as to output, and is permitted only in the M3 Zone, a "Microdistillery" is limited by its Alcoholic Beverage Control License to a maximum output of 100,000 gallons per year and is another alcohol-related use similar to those described above. Therefore, they shall be regulated in the same manner.

AMENDMENT

The "Microdistillery" use shall be added to the Use List as follows:

Microdistillery (on-site consumption) – CUP in R5 (see ZA 2007-5927 for restrictions), CR, C1, C1.5, C2, C4, C5, CM, MR1, M1, MR2, M2, M3; must meet ABC requirements.

APPEAL PERIOD – EFFECTIVE DATE

The Zoning Administrator's determination in this matter will become effective after May 18, 2018, unless an appeal therefrom is filed with the City Planning Department. It is strongly advised that appeals be filed early during the appeal period and in person so that imperfections/incompleteness may be corrected before the appeal period expires. Any appeal must be filed on the prescribed forms, accompanied by the required fee, a copy of the Zoning Administrator's action, and received and receipted at a public office of the Department of City Planning on or before the above date or the appeal will not be accepted. **Forms are available on-line at <http://planning.lacity.org>**. BACKGROUND

Pursuant to authority contained in Section 12.21 A.2 of the Los Angeles Municipal Code, the Zoning Administrator amended the Lists of Uses Permitted in Various Zones in 2016 to include new land uses determined to be similar to those specifically mentioned in the Comprehensive Zoning Plan.

In the December 2016 Use List Update, "Yoga Studio" was considered to be similar to "Dance Studio," and was expanded to also include other fitness-related activities, such as "Pilates, Spinning, Boxing, Barre, etc." As such, the use was renamed to "Fitness Studio" across both Use Lists for clarification.

Subsequently, it was determined that the term "Fitness Studio" encompasses a broad range of fitness-related activities, some of which require the use of equipment and machinery. Those fitness-related uses that utilize such equipment and machinery shall be correlated to a "Gymnasium" or "Health Club," and shall remain in the C2 zone only.

AMENDMENT

The "Fitness Studio" use shall be amended as follows:

Fitness Studio (including but not limited to Yoga, Pilates, Barre, etc) – (see Dance Studio)

Additionally, the "Gymnasium" use shall be amended as follows:

Gymnasium (including but not limited to CrossFit, Spinning, Boxing, etc), with fixed equipment – C1.5, C2, C5, CM, M1, M2, M3

ZONING ADMINISTRATOR'S
INTERPRETATION

Lists of Uses Permitted in Various Zones

CITYWIDE

Section 12.21 A.2. of the LAMC provides in pertinent part as follows:

2. Other Uses Determined by Administrator – The Administrator shall have the authority to determine other uses, in addition to those specifically listed in this Article, which may be permitted in each of the various zones, when in his judgment, such other uses are similar to and no more objectionable to the public welfare than those listed. BACKGROUND

Pursuant to authority contained in Section 12.21 A.2. of the Los Angeles Municipal Code, the Zoning Administrator has amended the Lists of Uses Permitted in Various Zones, last updated in 2003, to include new land uses determined to be similar to those specifically mentioned in the Comprehensive Zoning Plan. List No. 1 presents uses organized by zone category, while List No. 2 presents uses alphabetically. Where previous lists only included uses permitted by-right, the updated List No. 1 and List No. 2 incorporate uses permitted by conditional use permit (identified by red text) and uses permitted as a public benefit or with limitations (identified by green text). All uses listed are subject to the more detailed regulations provided in the Los Angeles Municipal Code.

These lists supersede the 2003 lists adopted pursuant to ZA 2003-4842(ZAI) and are the official use lists to be utilized by the Department of City Planning, Office of Zoning Administration and the Department of Building and Safety.
