PROJECT LOCATION: 1560 South Western Avenue

REQUESTED ACTION: The Zoning Administrator will consider:

1. A Conditional Use, pursuant to the provisions of Section 12.24-W,49 of the Los Angeles Municipal Code, to permit the installation, use, and maintenance of a new wireless telecommunications facility consisting of four sectors of four antennas to be located on the rooftop of a building behind rooftop screening. Outdoor equipment and generator will be located at grade within a CMU equipment enclosure with security lid measuring 19 feet 4 inches x 16 feet to be located in the [Q]C2-1-HPOZ Zone.
2. Pursuant to Section 21082.1(c)(3) of the California Public Resources Code, adopt the Mitigated Negative Declaration (MND) for the above referenced project.

The purpose of the hearing is to obtain testimony from affected and/or interested persons regarding this project. The environmental document will be among the matters considered at the hearing. The decision maker will consider all the testimony presented at the hearing, written communication received prior to or at the hearing, and the merits of the project as it relates to existing environmental and land use regulations.

Exhaustion Of Administrative Remedies: If you challenge a City action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence on these matters delivered to the Department before the action on this matter will become a part of the administrative record. Note: This may not be the last hearing on this matter.

Advice To Public: The exact time this report will be considered during the meeting is uncertain since there may be several other items on the agenda. Written communications may be mailed to the Los Angeles City Planning Department, Office of Zoning Administration, 200 N. Spring Street, Room 763, Los Angeles, CA 90012 (attention: Matthew Quan).

Section 704 of Title 7 of the Federal Telecommunications Act of 1996 (effective February 8, 1996), contains the following language:

- "IV. No State or local government or instrumentality thereof may regulate the placement, construction, and modification of personal wireless service facilities on the basis of the environmental effects of radio frequency emissions to the extent that such facilities comply with the Commission's regulations concerning such emissions."

Any concerns regarding health risks from this proposed facility should be directed to the Federal Communications Commission, Office of Engineering and Technology, 445 12th Street S.W., Washington, DC 20554, toll-free telephone: 1-888-CALL-FCC (1-888-225-5322), website: <http://www.fcc.gov/oet/rsafety>, or e-mail: rfsafety@fcc.gov.
