Hi,

Please support designating Paul Revere Williams family home as a historic-cultural monument in Los Angeles. This home should be protected as part of this architect's impact on Los Angeles residential architecture and as a pioneer in the architecture field here in LA.

Thank you

Dear Cultural Heritage Commission:

My name is Yoon Sun Yang, associate professor of Korean and Comparative Literature. I am writing to urge you to approve the nomination of the Hung Sa Dahn Building as a Historic-Cultural Monument. This building was the setting of early Korean American community organizing, and it is a deeply important Korean American landmark.

This is an important opportunity to preserve a building that is precious to the Korean American community's presence and our history in Los Angeles.

Thank you very much for your time.

Sincerely,
Yoon Sun Yang
