Accommodations - As a covered entity under Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate on the basis of disability. To request a reasonable accommodation, such as translation or interpretation, please email and/or call the assigned planner or email per.planning@lacity.org a minimum of 3 days (72 hours) prior to the public hearing. Be sure to identify the language you need English to be translated into and indicate if the request is for oral interpretation or written translation services. If translation of a written document is requested, please include the document to be translated as an attachment to your email.

Acomodos - Como entidad cubierta bajo el Título II de la Ley sobre Estadounidenses con Discapacidades, la Ciudad de Los Ángeles no discrimina por razones de discapacidad. Para solicitar un acomodo razonable, como la traducción e interpretación entre el inglés y otros idiomas, favor de enviar un correo electrónico o llamar al personal asignado con un mínimo de 3 días (72 horas) antes de la audiencia pública o, como alternativa, enviar un correo electrónico a per.planning@lacity.org usando el mismo plazo. Asegúrese de identificar el idioma al que necesita que se traduzca el inglés e indique si la solicitud es para servicios de traducción oral o escrita. Si se solicita la traducción de un documento escrito, incluya el documento que se traducirá, como un archivo adjunto a su correo electrónico.

Telecommunication Relay Services - Telephone communication is one of the most important forms of communication in society today. Due to advancements in technology, telephone devices have evolved with new services and capabilities. Individuals who are deaf and hard of hearing, and individuals with a speech disability are following these trends and are rapidly migrating to more advanced telecommunications methods, both for peer-to-peer and third-party telecommunications relay service (TRS) communications.

Telecommunications Relay Service is a telephone service that allows persons with hearing or speech disabilities to place and receive telephone calls. TRS is available in all 50 states, the District of Columbia, Puerto Rico and the U.S. territories for local and/or long distance calls. TRS providers - generally telephone

companies - are compensated for the costs of providing TRS from either a state or a federal fund. There is no cost to the TRS user.

What forms of TRS are available? There are several forms of TRS, depending on the particular needs of the user and the equipment available: TRS includes: Text to Voice TIY-Based TRS; Speech-to-Speech Relay Service; Shared Non-English Language Relay Service; Captioned Telephone Relay Service; Internet Protocol Relay Service; and Video Relay Service. Please visit this site for detailed descriptions, <https://www.fcc.gov/consumers/guides/telecommunications-relay-service-trs>.

Don't hang up! Some people hang up on TRS calls because they think the CA is a telemarketer. If you hear, "Hello. This is the relay service..." when you pick up the phone, please don't hang up! You are about to talk, through a TRS provider, to a person who is deaf, hard-of-hearing, or has a speech disability.

For more information about FCC programs to promote access to telecommunications services for people with disabilities, visit the FCC's Disability Rights Office website.

Exhaustion of Administrative Remedies and Judicial Review - If you challenge an application or item included on a public hearing agenda in court, you may be limited to raising only those issues you or someone else raised at the public hearing or in written correspondence on these matters delivered to this agency at or prior to the public hearing. If you seek judicial review of any decision of the City pursuant to California Code of Civil Procedure Section 1094.5, the petition for writ of mandate pursuant to that section must be filed no later than the 90th day following the date on which the City's decision became final pursuant to California Code of Civil Procedure Section 1094.6. There may be other time limits which also affect your ability to seek judicial review.

Materials submitted for any above-referenced cases are available for public review at the Department of City Planning, for more information contact the planner below.
