RE: Red Moon Restaurant and Lounge Appeal

**CITY PLANNING DEPT.
AREA PLANNING COMMISSION**

To Associate Zoning Administrators:

This letter is respectfully submitted in support of The Red Moon Restaurant and Lounge in its appeal to allow the business to continue operating fully, including in its use of the patio area, until the maximum time of 2:00 a.m.

Valley Community Healthcare is a community health center network that has served the needs of the men, women and children of the San Fernando Valley for almost 50 years. Our organization has hosted events at different local venues over the years, and I can confidently say that the Red Moon ranks among the best in terms of providing an accommodating and welcoming space for all our members, which includes community members from our 3 social advocacy groups and our donor community. We found their staff to be diligent, their clientele to be courteous, and the space to be welcoming, quiet and conducive to a happy gathering. Thanks to this atmosphere and the tone set by Red Moon's staff, our guest speakers were able to effectively convey their presentations and our members were able to discuss important social issues in a safe, comfortable, and very enjoyable environment.

We look forward to many years of partnership with Red Moon because of its demonstrated status as a conscientious member of the San Fernando Valley community and the welcoming environment they provide for a wide range of functions. Therefore, we ask that you support Red Moon's appeal both as an appropriate reflection of the restaurant's non-intrusive presence and to ensure its continued success as a member of the Valley community.

Sincerely,

Catherine O'Neil
Development Manager
Valley Community Healthcare

RE: Red Moon Restaurant and Lounge Appeal

To Associate Zoning Administrators:

This letter is respectfully submitted in support of The Red Moon Restaurant and Lounge in its appeal to allow the business to continue operating fully, including in its use of the patio area, until the maximum time of 2:00 a.m.

The San Fernando Valley Young Democrats, a local youth-led organization, has recently had the pleasure of starting to host membership meetings at Red Moon. Some of our members are high school age, some have young children themselves, some are first-time activists who may get dissuaded by a hectic atmosphere, and some are veteran political leaders who expect a certain level of professionalism – so where we choose to host our meetings is of paramount importance to us.

Our team has hosted events at countless different local venues over the years, and I can confidently say that the Red Moon ranks among the best in terms of providing an accommodating and welcoming space for all our members. We found their staff to be diligent, their clientele to be courteous, and the space in general to be welcoming and quiet. Thanks to this atmosphere and the tone set by Red Moon's staff, our guest speakers were able to effectively convey their presentations and our members were able to discuss important social issues in a safe, comfortable environment.

We look forward to many years of partnership with Red Moon because of its demonstrated status as a conscientious member of the San Fernando Valley community and the welcoming forum that their staff has created. Therefore, we ask that you support Red Moon's appeal both as an appropriate reflection of the restaurant's non-intrusive presence and to ensure its continued success as a member of the Valley community.

Sincerely,

RE: Red Moon Restaurant, Lounge, and Patio

To Zoning Administrators

This letter is regarding Red Moon Restaurant, one of the nice, respectable, and clean family restaurants of North Hollywood.

I am Dr. Jorge Montes, aka as the Bullet Proof Dentist, involved with the North Hollywood Shootout. I gave first aid to two of the wounded officers shot that fateful day. My dental office is directly across the street from Bank of America on Laurel Canyon Blvd. In North Hollywood.

I have been in business for almost three decades at the same location. As a business owner I usually have to meet with several people to discuss a variety of issues. So when I do have to meet with people I like to take them to a nice quiet restaurant or coffee shop to be able to have a conversation without having to yell over the noise. Red Moon is one of those restaurants I like to go to with my guests or patients. I have had group meetings there as well as just one on one meetings.

When I heard that Red Moon is having trouble in being allowed to stay open late and having issue with being able to serve our favorite liquor drinks after a certain hour, I asked if there is anything we as customers can do. So this is the reason for this letter to make a plea to the Zoning Administrators to allow Red Moon to run their restaurant as a regular restaurant business as allowed by other family restaurants. They serve amazing food and deserts, and have friendly staff and I would like them to be around for the community. They are involved with many community events and are not selfish at all when asked for help from them.

Sincerely,

Dr. Jorge O. Montes DDS

This letter is respectfully submitted in support of The Red Moon Restaurant and Lounge in its appeal to allow the business to continue operating fully, including in its use of the patio area, until the maximum time of 2:00 a.m.

As a Board of Directors member and past President of the Universal City North Hollywood Chamber of Commerce, and Campus President at Concorde Career College – North Hollywood Campus, I have recently had the pleasure of starting to attend events and host events at Red Moon. When hosting events, we have to have a calm atmosphere, as most of our guest expect a certain level of professionalism – so where we choose to host our meetings is of paramount importance to us.

Our Chamber and my Campus has hosted events at countless different local venues over the years, and I can confidently say that the Red Moon ranks among the best in terms of providing an accommodating and welcoming space for all our members.
