DAY OF HEARING SUBMISSIONS

DO NOT BUILD ON VISTA GLORIOSA DRIVE

It is inconsiderate of outside individuals and our City Planners to consider building on Mount Washington particularly Vista Gloriosa Drive. If they lived in the area, they would know that CONGESTION of vehicles and PARKING in particular is a problem on Vista Gloriosa Dr. When local citizens are going or coming from work the streets leading to Vista Gloriosa Dr. (Isabel St. Glenalbyn Dr. Beach St.), are congested. The streets can barely handle two cars at a time, in most sections only one car is passable at a time. For most of Vista Gloriosa Dr. you can only park on one side of the street if at all. Consequently, even if you build a garage on the proposed premise for parking, visitors to the project house will impact the local citizens ability to park their vehicles whenever they move their cars.
