Dear Suki Gershenhorn,

I am writing to express my interest in joining the Hancock Park HPOZ Board as a member. As an architect with an interest in preserving our cultural heritage and architectural legacy I am eager to join the board and to contribute to the work carried out by the HPOZ.

Throughout my career I have worked on houses originally designed by Buff and Hensmen , and Paul Williams. My experience has equipped me with a comprehensive understanding of architectural styles and construction techniques. I have worked on projects that went into review with the Lafayette Park HPOZ committee and Santa Monica ARB. Currently I'm a member of the Bel Air Architectural Review Committee

As a member of the Historic Preservation Board I can offer technical expertise and a genuine interest for historical preservation. I am committed to upholding the board's mission of safeguarding our cultural heritage for future generations and ensuring that our historic buildings continue to enrich our communities for years to come.

Thank you for considering me. Please feel free to contact me to discuss how my skills and experiences align with the goals of the board in more detail.

Sincerely,

Jeanne-Marie S. Fox A.I.A.
