Individual testimony within the public comment period shall be limited up to five (5) minutes per person and up to ten (10) minutes per subject.

6 PUBLIC HEARING AGENDA ITEMS

6.1 Prior to the hearing a written report will be prepared by the Department staff, summarizing the prior action and their recommendations. The Zoning Administrator's decision letter is the report transmitted to the Commission for Zoning Administrator Appeal cases. All other cases will include a Staff Report. Reports are to be released alongside the agenda.

6.2 Public hearing agenda items shall generally follow this established order:

- a. The Zoning Administrator, Deputy Advisory Agency, or Deputy Director Designee will summarize the pertinent facts and information concerning the case and will detail the basis for their past or recommended action.
- b. For appeal cases only, the appellant(s), and/or their representative(s), will be invited to speak for a period of time determined by the Chair.
- c. The applicant, and/or their representative(s), will be invited to speak. For appeal cases the Commission will afford equal time to speak to the appellant(s) and the applicant.
- d. The item will be opened for public testimony. Individuals who speak under item b or c (presentation) shall not be permitted to also speak during public comment.
- e. Other City or government agency representatives will be invited to speak. This includes representatives from Council District Offices and Neighborhood Councils that have submitted an official position statement.
- f. For appeal cases, the appellant(s) and applicant, and or their representatives, will be given an amount of time at the Chair's discretion, to respond or comment.
- g. City staff may be asked to respond or comment.

After the testimony has been received, the hearing will be closed and the Commission will deliberate and render a decision. The Commission reserves the right to deviate from this process when it deems necessary.

6.3 Relative to legislative, quasi-judicial and other discretionary approvals, a required public hearing may be held by a Hearing Officer who is a Planning Department employee. With respect to agenda items on which prior required public hearings have been held, the public meeting of the Commission shall be for Commission decision-making, however, an opportunity for public comment shall be provided.

- 
- 6.4 To the extent not already required by the Los Angeles Municipal Code, the Chair may at their discretion hold a single public hearing for multiple agenda items that are related to the same project.
- 6.5 Relative to Zone Variances (ZV) only, pursuant to LAMC Section 12.27, if an applicant or aggrieved party wishes to present new evidence in connection with any matter, he or she shall file with the Commission a written summary of that evidence, together with a statement as to why that evidence could not reasonably have been presented to the Zoning Administrator. If the Commission determines that evidence could not reasonably have been presented to the Zoning Administrator and the evidence is of such a nature as might reasonably have led to a different decision by the Zoning Administrator, the Commission shall remand the matter to the Zoning Administrator, pursuant to the provisions of LAMC Section 12.27 K.

7 COMMISSION ACTIONS, RECONSIDERATION, AND CONTINUATIONS

- 7.1 **Commission Action** - A Commission Action is a decision adopted by a majority of the Commission (three votes). After a motion is made and seconded, Members who are present shall vote at the call of the roll. In the event a Member who is present chooses to abstain and fails to vote either “yes” or “no”, that Member shall be deemed to have voted “yes”, and the Member’s vote shall be so recorded.

A Commission Action or transmittal of a Commission Action shall be signed by the Commission Executive Assistant or Commission Office Manager and is an integral part of the minutes.

- 7.2 **Voting** - A Member is not qualified to participate in, or be present for, a vote on an agenda item unless the Member was present for the entire hearing before the Commission, or has listened to the audio recordings of the prior relevant proceedings prior to their participation in a vote.

If an agenda item is continued to, or scheduled for a motion to reconsider at a future meeting, a Member who was absent from any portion of the Commission hearing on the agenda item when it was initially considered may participate in a subsequent vote provided they have listened to the audio recordings of the prior relevant proceedings. These voting provisions shall only apply to quasi-judicial approvals.

- 7.3 **Reconsideration** - The Commission may make a motion to reconsider a Commission Action on items listed on the agenda at the same meeting as the original Commission Action, or at the next regular meeting. If there is no Commission Action (three votes), these Reconsideration provisions do not apply.

A motion to reconsider shall be made by a Member who voted in support of the Commission Action.

If a Member wishes to make a motion to reconsider a Commission Action at the next regular meeting, the Commission may hear the motion to reconsider provided that the Commission has not lost jurisdiction to act.

If a majority of the Commission approves a motion to reconsider at the same meeting as the original Commission Action, the merits of the agenda item may be the next order of business. However, if the Commission approves a motion to reconsider at the next regular meeting, there shall be a separate agenda item for the purpose of addressing the merits of the original Commission Action at the following meeting, provided the time to act has not expired.

A motion to reconsider may only be made once during the day on which the original Commission Action was taken or once during the next regular meeting.

A motion to reconsider must be heard and decided within the existing time to act. However, if a majority of the Commission timely approves a motion to reconsider, the Commission may come to a mutual agreement with the applicant to extend the Commission's time to act pursuant to applicable provisions in the Los Angeles Municipal Code, in order to separately agendaize the item for the purpose of addressing the merits of the original Commission Action.

- 7.4 **Continuances** - The Commission may continue an item for a stated purpose to another day or may continue an item at the request of staff, or the Council office affected, if that date is within legal time limits and the Commission has not lost jurisdiction to act. Routine continuances may be delegated to the Director of Planning, or their designee. Continuances to a date certain will not require a new public notice to be issued for the case, provided that the continuance is made at the previously noticed meeting.

- 7.5 **Failure to Act** - A Failure to Act is when a majority of the Commission (3 votes) fails to approve or reject an agenda item. In that event, the Commission may deliberate further and take a new vote at the same meeting. If the Commission has not, either by a provision in the Los Angeles Municipal Code or by the passage of time, lost the power to act on that item, the agenda item shall be continued to the next regular meeting unless a majority of the Commission votes to continue that item beyond the next regular meeting.

- 7.6 If a Commission meeting is canceled or adjourned due to lack of quorum or emergency situation, all remaining agenda items shall be continued to the next regular meeting or beyond as long as the continuance is within the legal time limits of the case or cases.

8 RULES AND OPERATING PROCEDURES

- 8.1 These rules and procedures, one or more, may be suspended by a vote of the majority of the Commission, except for rules and procedures specified by the Los Angeles Municipal Code, the California Government Code, or other applicable legislation.
- 8.2 An affirmative vote of the majority of the Commission shall be necessary to amend these rules.
- 8.3 A copy of these Rules and Operating Procedures shall be available for public review at the Public Counters of the Planning Department and at the Commission Office.

9 SUB-COMMITTEES

Correction to the Minutes shall be as directed by a Commission Action.

Meetings are tape recorded to provide a record of the audio portion of all meetings. The Audio for each meeting will be made available online within three (3) business days of the meeting.

11 EX PARTE COMMUNICATIONS

- 11.1 Each member of the Commission shall accord to every person who has an interest in the quasi-judicial proceeding the full right to be heard according to the law.

- 
- 11.2 No Member of the Commission shall initiate, permit, or consider private, ex parte communications concerning a pending quasi-judicial proceeding unless the Commissioner is recused from the proceeding.
 - 11.3 Notwithstanding the foregoing, when circumstances require it, a Member of the Commission may permit otherwise unauthorized ex parte communication for scheduling, administrative, or emergency purposes, but only if the communication does not address substantive matters and no one will gain a procedural, substantive, or tactical advantage as a result of the communication.
