Hi Milena,

Just wanted to let you know that I updated the Delivery Confirmations folder with the scanned County Clerk stamped notice, County Clerk receipt, and the stamped NOC. Thanks!

Ok, I set up a Dropbox and have sent you a share link. Let me know if you didn't receive that. I'll upload the remaining documents when I receive them. Thanks!

Sure, do you want me to set up a Dropbox, or just send via download links? We're waiting on one more delivery confirmation, and we have pictures of the County Clerk stamped NOA and receipt (scan version will come in tomorrow). The stamped NOC should come back to us via mail either tomorrow or early next week, but we did receive a delivery confirmation that they have received it.

You're welcome. Also, once you have some of the mailing verification documents available, would you mind sending me PDFs (e.g. verification/mailling affidavits for the agency mailing, stamped SCH forms, library confirmations, etc), so that I can upload those to the website as part of the admin record as well?

Much thanks,

Milena

Thanks! I didn't have the first three emails, so those are now added to our records/interest list.
