Hi Luci and Milena,

I was wondering if we could set up a conference call for later this week to go over the hearing preparation for [1045 Olive](#). Our CPC date is not till 5/14 but because documents need to be in early, and since I would like the hearing to go as smoothly as possible, I thought it would be a good idea to touch base with the City. It makes sense to wait till after this Thursday's CPC hearing so as to see how the hearing by teleconference works. Perhaps Friday mid-day? Or Monday next week?

Hi Ryan,  
Let me coordinate with Milena on our respective schedules. In the meantime, will you be submitting an updated application materials using the City's forms?

Thanks,  
Luci

Thanks, Luci. I don't think we are planning any updated application materials; we've submitted materials for our March hearing, and I don't see any changes likely. However, if there are concerns we should address, I think we have time now in case we need to make any modifications.

We likely will submit an updated PowerPoint presentation – but it would be very similar to the materials already on file with the City for the March CPC hearing.
