Hi Alex and Tim,

I am adding Deputy City Engineer Ted Allen to the conversation. We would like to find a time to meet to discuss the proposed project at 1045 Olive Street and potential building projections over the public right of way.

Does the morning of Tuesday, July 11 or the afternoon of Thursday, July 13 work?

Thank you,

Shannon

Hi Nick and Shannon,

Thank you for meeting with us last week regarding the 1045 Olive Street. I am following up with you regarding scheduling a meeting with BOE. Please note that I am leaving town for a week starting tomorrow (Wednesday). If you wouldn't mind, please work with my associate, Tim Moran so that he may coordinate with our project team.

Thank you,

I have CPC briefing on 7/11 from -9:30, but am free thereafter. I'll be at CPC on 7/13 and may or may not be available that afternoon, depending on how the day goes.
