Ok, the applicant never submitted a PDF of the tract map to me. Let me ask again.

Sarah,

I am checking all cases which I am having questions.

I am wondering if you had a time to find the site map for this case?

I would appreciate if you send me or upload the plan to the E-Submit.

Regards,

Hi Alex,

Can you please email a PDF of VTT-74531-CN to Hiroyuki and myself? There was not a CD included in the case file nor was one submitted to E-Submit.

Thank you,

Sarah,

I am a GIS specialist working on making GIS data for ZIMAS, and currently working on the case of VTT-74531-CN.

The application I have does not have a tract map.

And there no attachment in the E-Submit tab of the Case Document Quick Search.

Could you send me a track map of VTT-74531-CN, or attach the pdf file of VTT-74531-CN to the E-Submit?

Thank you for paying attention to this matter.

Regards,
