I added the Environmental Checklist to the Google Drive folder.

I don't need the web version until Monday.

Hi Sarah,

1. Yesterday (12th) you wrote at 3:59:

"I have a couple changes that I am making to the checklist to be consistent with communication that Kathleen King is having with our City Attorney. I will send back the final checklist tomorrow with an email detailing all the items needed to get this published."

I am not finding the edits at the link below. Do you have further edits for us to include?

2. You asked me to advise you of all changes that we do: I am removing the preliminary draft stamp from Attachment B. I have implemented the edits to the project description/actions that you sent over at 10:56 this morning.

3. With regards to the PDF you asked for below we plan to send you the web version. We will also have a print version for preparing hard copies (add blank pages so that new sections start on a right facing page.) Do you need both versions tomorrow?
