Hi Sarah and Chris,

We'll get you that info shortly. I believe that there's a SAR/SCAR, so we'll make sure we are consistent with all the info.

Alex and Ryan,

Can you please provide Chris, from Bureau of Sanitation, with the following information:

- Residential unit type breakdown
- Commercial type (retail, restaurant, etc)

I looked at the plans and they do not include the requested information (listed only as number of habitable rooms and does not include commercial type).

Thank you,
