Hi Ryan,

I am now the Senior City Planner overseeing Case Management, therefore Alejandro Huerta is the planner taking over the processing of this project. I will make sure to give him an overview of the project and will be available for questions at any time.

Thank you,

Hi Sarah and Luci,

Please find attached the related projects list for 1045 S. Olive Street. This list was prepared by the Mobility Group and was submitted yesterday to DOT as part of the MOU. It used as starting point the list for the nearby 8<sup>th</sup> & Figueroa Project (approved by DCP 7-18-17), with projects added/deleted per the following:

- The list includes projects within 1.5 miles from 11<sup>th</sup> & Olive intersection (adjacent to Project).
- The list utilizes the initial LADOT list dated 10-4-17, and updated LADOT list dated 12-21-17.

- The list checked DCP Project Applications submitted thru 12-21-17.
- In addition to Mobility Group expertise in vetting and compiling the list, my office and Alex Irvine at Irvine & Associates conducted extensive coordination.

Please note that the NOP was issued 12-21-17 and the Related Project list therefore is current as of the NOP date.

The Mobility Group and I look forward to finalizing this list as expeditiously as possible.

Please let us know if you have any questions or concerns.

Thank you,
