Good morning, Heather.

I hope you're well! Do you know who is assigned to the project at [1045 S. Olive](#)?

PCTS shows Alejandro Huerta as the assigned planner, but when I emailed him, the email bounced back.

I'm hoping to get a quick walk-through of the case as there is also a related ZAI request the applicant filed, which Code Studies has recently been reviewing, and I want to make sure I understand the key components of the project.

Best,

Erin

Hi Erin,

Milena Zasadzien is the planner assigned to that case. I have cc'd her on this email.

Let me know if you need anything else.
