Subject: 1045 Olive Project - VMT Memorandum

We have previously completed a Traffic Study for the 1045 Olive Project. LADOT's Approval Letter is dated August 16, 2018. The City is getting ready to release the DEIR, and the Applicant is wanting to include a VMT analysis.

Attached at the applicant's request is a VMT analysis for the Proposed Project, and for the Project Alternatives. We have incorporated your input on a previous submittal, to maintain consistency.

Could you let me know your schedule and protocol for reviewing these memos. The applicant and the City are eager to release the DEIR, so are looking for estimated review time for their schedule.

Many thanks.

Mike
