Hi Johnny - can you please create a pdf of the below email exchange, name it "2019.10.03\_MZasadzien to HBentley" and then send over to the internet planning email for upload? It should go under the Olive project, additional documents, Public Comments. It needs to be uploaded within 5 business days. Thanks!

Hi Hannah,

City Planning has updated our website. EIRs are now available here:  
<https://planning.lacity.org/development-services/eir>

The Olive project DEIR was posted and the administrative record is under the "Additional Documents" tab.

Please let me know if you have any questions.

Best regards,  
Milena

Dear Ms. Zasadzien:

We noticed that the City apparently has not posted the DEIR and Appendices for the 1045 Olive project, ENV-2016-4630-EIR on the website where Planning at least used to post DEIRs, <http://planning.lacity.org/eir/TocDeir.htm>, and we also did a google search and could not find a City website devoted to this Project. We assume there must be one, as Public Resources Code section 21186(b) required the posting of the administrative record to date with the DEIR. Can you please advise as to where we can find this material?

Thank you.

Sincerely,

Hannah Bentley
