Re: 1756 N. Argyle Avenue, 6220 West Yucca, et al

The Hollywood United Neighborhood Council's (HUNC) Board of Directors at their September 14, 2020 Board Meeting voted to deny support for this project based on the following:

1. The buildings of this very large project built on top of multiple existing earthquake faults is a significant danger and requires compliance with the Alquist-Priolo Earthquake Fault Zoning Act.
2. The continuing questions regarding relocation allowances for the proposed displaced residents and lack of clarity and transparency in the execution of the relocation plans including whether or not moving expenses will be paid for by the developer.

Sincerely yours,

Jim Van Dusen *
Chair, Planning and Land Use Management Committee

George Skarpelos *
