Sorry Jenna, Leyla just informed me to request an extension to the end of January 2021 because of the winter recess.

Not if we want to hear this VTT and the related CPC-2014-4705-ZC-HD-DB-MCUP-CU-SPR together. The SPR is 100' radius at 15 days out. We're looking at mid- to late-December.

Thank you!

Good morning Jenna and Alan,

We are unable to make the noticing deadline on this project. Would Planning please reach out to the applicant and request a time limit extension letter?

Thank you,

Daniel
