Hi Jenna,
Alan will be sending over the CPC transmittal package shortly.
I understand there are some timing concerns, can we please hop on a call asap to discuss?
We are available to help with mailing or coordination with the City Clerk's office in any way possible.
Please let us know what we can do to ensure the 11-19 PLUM date.
Much appreciated,
Milena

Hi Milena.

I understand there's some urgency to get the cases above scheduled for PLUM, ideally for 11/19. It looks like the tract appeal package has been transmitted and has a Council File number 20-1383. The Commission office received the appeal of the CPC case, however, the rest of the documentation has not been provided to them so that they can transmit to the clerk's office. I think Alan may be out tomorrow, but is this something that you think can be sent as soon as possible?

Thanks.

Jenna
