

## IV.J PUBLIC UTILITIES

---

### INTRODUCTION

This section addresses the potential impact of the Herald Examiner project on utilities, including (1) water service; (2) wastewater; (3) solid waste; and (4) energy. Information provided in this section came from the City of Los Angeles Department of Water and Power, the City of Los Angeles Department of Public Works, the Sanitation Districts of Los Angeles County, City of Los Angeles General Plan, California Integrated Waste Management Board and the Bureau of Sanitation. Each section includes an introduction, environmental setting, environmental impacts, cumulative impacts, mitigation measures and adverse impact discussions.
