Hi Dave,

Could you please schedule a call between MOF and Vince Bertoni regarding the Yucca-Argyle project?

MOF would like to discuss the following:

1. An explanation as to why the Yucca-Argyle project's DEIR was not released on March 17th despite being told that it would be by DCP. This project has undergone multiple and lengthy reviews (5 screenshots) . It is incomprehensible how this is not ready for release.
2. What time saving measures could be taken by the DCP to ensure we meet the ELDP deadline.
3. A schedule for (1) Yucca-Argyle and (2) Hollywood Center and (3) Hollywood and Wilcox (this should include release dates to City Council approval).

Please let me know if you need any questions.
