Hi Gabriel,

Per our discussion, please use the attached Excel to find:

- total flow for SCARs having both Groundwater AND DWP
- total flow for SCARs for Groundwater only

We'll give you more direction once you can help with these numbers.

Thanks,

Albert

Albert,

Please create an excel file of the SCAR database for Flor. She needs it to cross reference groundwater discharges to the system. Please provide it to her at your earliest opportunity.

Thank you,

Chris
