Hello,

This email is being sent to persons that have been identified as possibly having either email or written correspondence regarding the Hollywood Center Project, located at 1720-1770 North Vine Street; 1746-1760 Ivar Avenue; 1733 and 1741 Argyle Avenue; and 6236, 6270, and 6334 West Yucca Street.

The Department of City Planning is preparing to release a Draft Environmental Impact Report (EIR) for this Project, which has been designated by the State as an Environmental Leadership Development Project (ELDP). As part of this process, the City is required to collect and upload all relevant public records of proceedings regarding the Project at the time the Draft EIR is published, and thereafter, including electronic communications, such as emails (including personal emails) and text messages.

Therefore, we'd like to request that you submit any written or email correspondence either **from, to, or between** any City staff relating to the Hollywood Center Project, dating back **from October 12, 2017 to present**.

1. All email (digital) correspondence should be submitted via a single Dropbox or Google Drive link. Per the Office of

the City Attorney's request, emails shall be submitted in the format outlined in the instructions attached to this email.

- 2. Any written (non-digital) correspondence should be submitted via a scanned PDF file.
- 3. Any **text messages** should be screenshot and forwarded to your "<u>lacity.org</u>" email address and compiled based on the <u>instructions attached to this email</u>.

Please **DO NOT** send PDFs of your emails. Instructions for email collection are attached.

At a minimum, please conduct a search using the following key words/phrases:

- CPC-2018-2114
- CPC-2018-2115
- ENV-2018-2116
- VTT-82152
- *Tract Map 82152*
- Hollywood Center Project
- Hollywood Center
- *HCP*
- Millennium
- 1720-1770 North Vine Street (any address in the range)
- 1746-1760 Ivar Avenue (any address in the range)
- 1733 and 1741 Argyle Avenue (any address in the range)
- 6236, 6270, and 6334 West Yucca Street (any address in the range)
- MCAF Vine LLC

Please submit all documents to me no later than **Tuesday, February 18, 2020**.

If you are aware of other City staff who may have worked on this Project but has not been included in this email, please let me know as soon as possible.

Thank you in advance for your time and cooperation.

INSTRUCTIONS FOR LABELING AND DOWNLOADING GMAIL EMAILS

Below are step-by-step Gmail "labeling" instructions for DCP staff who were meaningfully involved on a project certified as an Environmental Development Leadership Project for which the administrative record must be prepared and made available to the public at the time the Draft EIR is published. Per this email search protocol of the Land Use Division of the City Attorney's Office, key City staff are requested to label all emails pertaining to the project in their lacity.org email accounts using Gmail's labeling function. This approach is intended to reduce the number of irrelevant emails in administrative records by having key DCP staff proactively identify and label relevant emails, and then download the labeled emails into a folder that is provided to the Land Use Division to review for privilege and relevance. Major Projects should work with the City Attorney's Office request that ITA perform an email search for those custodians who fail to identify, label and download emails pursuant to these instructions.

The Lead Planner shall provide City staff with the specific Gmail label they are to use, as well as search terms City staff should use to find relevant, project-related emails. City staff will then apply the provided Gmail label to those emails. Email search terms will generally consist of the ENV, CPC, and/or Council file numbers for the project, project site address(es), and frequently used acronyms and shorthand names. For example, in a recent search related to the Permanent Supportive Housing ordinance the following search terms were used: "Permanent Supportive Housing", "PSH", "CPC-2017-3136", "ENV-2017-3137", and "17-1422".

For purposes of uniformity and to avoid any gaps in the email search, please only use the email search terms and Gmail label provided to you by the City Attorney's Office. In the below example, relevant emails have already been identified and the Gmail label used is **"MAJOR CEQA PROJECT"**. However, the Lead Planner should identify a label name specific to the project for which the emails are being gathered.

Step 1-1: To create the Gmail label you'll be using, open your lacity.org Gmail account to the main page. In the column on the lefthand side (under the red "COMPOSE" button), click on the "More" dropdown menu and then the blue "Create new label" link.

Step 1-2: A pop-up menu titled "New Label" will appear. In the box under "Please enter a new label name:" type the label name provided by your Deputy City Attorney contact (here, "MAJOR CEQA PROJECT"). There is no need to "nest" the label under any other Gmail labels you previously created, although you can do so if it's helpful for your own internal organization.

Step 1-3: Once you've created the new label you can start applying it to specific emails. To do so, return to your Inbox and, using the checkmark boxes on the lefthand side of the screen, check all emails relevant to the project. (Note: you may need to scroll through multiple pages of your Gmail inbox, or use the search box at the top of the Gmail screen, to find and label all of your project-relevant emails.)

Finally, once you have completed the labeling process as to all relevant emails, follow the steps below to download the labeled emails into a single folder and to provide a link to the folder to the Deputy City Attorney requesting your emails.

2. STEPS TO CREATE AN ARCHIVE FOLDER FOR LABELED GMAIL EMAILS

Step 2-1: Go to takeout.google.com. Enter the Google Takeout site using your City email credentials. If you are already logged into Gmail on your internet browser, you should automatically be logged into Google Takeout.

Step 2-2: Under "Create A New Archive," scroll down to "Products" and on the right hand side of the screen, click "Deselect all."

Step 2-3: Scroll down towards the bottom of the page and click the "Mail" checkbox. Then click the "All Mail data included" option.

Step 2-4: A pop-up screen will open showing your various "Mail content options," which includes all of your labels in Gmail. Click "Deselect all" to clear out any pre-selected labels.

Step 2-5: Click the checkbox next to the related Project label and then click "OK." This will close the pop-up screen and return you to the "Download your data" page.

Step 2-6: Scroll down and click on "Next step."

Step 2-7: You should now be at the "Customize archive format" section. Here, you can select the delivery method for your labeled emails. Under "Delivery Method," click the dropdown menu and then select "Add to Drive." Then click "Create archive" at the bottom righthand corner of the page. This will allow you to store a copy of the archive file in your City Google Drive account. When the archive is created, Google will email you a link to its location in Google Drive.

Step 2-8: Return to your lacity.org Gmail inbox. Once you receive the email notification that your archive file is ready (titled "Your Google data archive is ready"), open it and click the blue "Download Archive" link.

Step 2-9: You will then be taken to a Google webpage titled "Manage Archives". The project-related emails that you labeled will automatically download as a .zip file. Please send this file to the Deputy City Attorney requesting your emails.
