Good morning David,

Thank you for the invitation. I am CC'ing Dave Cano, the CM's executive assistant, to this email, along with Sean Starkey, who is now the Hollywood field deputy at our office. Please CC them on any future requests for CM O'Farrell.

The CM is unfortunately not available next Tuesday.

Can you also please advise the boundaries of the Argyle Civic Association? As you may know, Castle Argyle is located in Council District 4 (CM Ryu).

Thank you,

Hi Daniel,

We would like to invite you or another representative from Councilmember O'Farrell's staff to attend the Argyle Civic Association's next monthly meeting on **Tuesday, January 29, at 7 pm at Castle Argyle** (1919 Argyle Avenue) so that we can share with you some of the current concerns the members of our long-standing neighborhood group have.

Thanks,

Thanks, Daniel.

Our boundaries extend down to Sunset Boulevard on the south side. We are particularly concerned about the Hollywood Center development (Millennium Partners), which is proposed for District 13, as it greatly affects traffic and other quality-of-life issues both north and south of Franklin.

Thank you. Regarding the proposed Hollywood Center project, I encourage you to be in touch with my colleague Craig Bullock, our planning director, who I am CCing here, in addition to myself.

Team District 13:

Since we also invited a representative from District 4 to this meeting, and the number of issues concerning them has grown substantially, I think it might be best if we invite a member (or members) of Councilmember O'Farrell's team to attend the FEBRUARY meeting instead, on February 26. We will simply not have time to discuss all District 4 issue as well as District 13 issues.

We very much appreciate have your contact info and will be back in touch as the February meeting approaches.

Thanks,

Hi Dan,

The Argyle Civic Association would like to have you and/or other representatives from Councilmember O'Farrell's office at our March meeting, a week from tomorrow (**Tuesday, March 26, at 7 pm at Castle Argyle**) to discuss the pending bridge housing project on Schrader as well as Millennium's Hollywood Center project. Would you or some other team member be able to attend our meeting at Castle Argyle? We can give you priority on the agenda.

As I mentioned previously, our area of concern extends south of Franklin to Sunset Boulevard, and our neighborhood is being heavily impacted by the transient camp under the Gower Street bridge as well as the proposed Millennium's Hollywood Center project.

Thanks,  
David Gadd
