Subject: Re: 6220 Yucca - Correspondence Request

Hi!

I hope your 2020 is off to a great start!

This is just a friendly reminder, if you haven't already done so, to submit your documents for the "6220 Yucca Project." This will ensure that there is sufficient time to read the docs prior to their posting. There is a very tight time schedule to complete this project and it is important that we meet the deadlines.

Please respond to Alan Como's email even if you don't have any written correspondence. Your acknowledgement will help make this administrative part of this process thorough and complete.

Thank you for your cooperation. Have a wonderful weekend!

Craig
