All -

I own a condo located at 1645 Vine Street # 509, Los Angeles CA 90028. I'm writing to express my opposition to the Hollywood Center Project. I'm a proponent of development in Hollywood but believe these buildings are not what the community needs. The project is way to big and the buildings do not fit with the character of the community. In addition, the traffic situation on Vine is terrible and will only become worse with the addition of this mega project. Allowing this project to move forward would be a huge disservice to the community.
