Subject: 1600 VINE - Hollywood Center

Hello Craig,

My name is Thomas Meredith and I am the Senior Business Manager for the 1600 VINE Apartment Homes. Our building is located just south of the proposed Hollywood Center project. While I hope to attend the upcoming public hearing on the 26th, I wanted to make sure my show of support was recorded in the event I am unable to attend.

Please let this email serve as record of my strong support for the proposed project. When I first arrived in Hollywood just over seven years ago it was far from the diverse residential neighborhood it is today. Buildings like ours and others have brought much needed life, amenities (grocery, gyms, restaurants), and jobs to what were once surface parking lots. Again, the city finds itself in a position to turn underutilized surface parking into much needed housing and community open space that will benefit both visitors and locals alike.

We stand in support of this project because we believe Hollywood Center creates the sustainable development and units Hollywood needs to help us recover from this global pandemic, and make our community the true center of Los Angeles.

Thank you for your time and consideration.

Best Regards,

Thomas Meredith
