Subject: Hollywood Center Project Hearing, FEIR Publication, VTT-82152; CPC-2018-2114-DB-CU-MCUP-SPR; ENV-2018-2116-EIR

Dear Mindy,

I just received a notice saying that a hearing for the Hollywood Center Project will be held on August 26. The notice says that public testimony will be taken on the FEIR, but I just check the DCP web site, and the FEIR is not yet available.

Can you tell me when the FEIR will be published?

Thanks,
