Hi Casey,

The City is still working on the FEIR and is not available at this time. That being said, the Vesting Tentative Tract case will be taken under advisement and no action will be taken until the FEIR has been made available for a minimum of 10 days, pursuant to CEQA Guidelines Section 15088.

A Notice of Availability of the Final EIR will be provided to all interested parties and commenters on the Draft EIR once it is available. As you provided comments on the Draft EIR, you will be receiving a Notice.

Let me know if you have any other questions.

Dear Mindy,

I just received a notice saying that a hearing for the Hollywood Center Project will be held on August 26. The notice says that public testimony will be taken on the FEIR, but I just check the DCP web site, and the FEIR is not yet available.

Can you tell me when the FEIR will be published?

Thanks,

Casey Maddren
