"Hi Eddie it's Mindy I am giving you a call back in regards to the Hollywood Center Project email correspondence if you can call me back I'm at 213-847-3674 happy to walk you through it. I really I think all you need to do is drag that folder or that drive on to you into the email and then send it to me but let me know that doesn't work I do have meetings from two to four but I am here until 5:30 so if you happen to get this message. Outside of those hours you can call me back I'm happy to walk you through it. Thanks so much 213-847-3674."
