Hi Miguel,

You can drop it off next week. Just an FYI, I am off on Monday.

Thanks

Hi Eduardo,

We have a revised access concept we'd like to submit. Last time DOT requested hard copies. I can email a PDF or drop-off plots of the new option. I can drop it off early next week if that is preferred. Let me know what works on your end. Thank you.

Regards,

Miguel

Hi Eduardo,

Yes, that would work. 10AM, 11AM, or 2PM would be best on my end. Do any of those work for you?
Thanks.

Miguel

Hi Eduardo,

I hope this finds you well. I wanted to check-in with you as we work to revisit the access concept with LADOT staff for the project in Hollywood. Would you be free to check-in for a few minutes this afternoon or tomorrow morning? My direct line is 213 2613072. I can also call you. I tried dialing this number, but I was not able to leave a message:

A business card for Eduardo Hermoso, Transportation Engineer Associate II at Metro Development Review. The card includes contact information for the Los Angeles Department of Transportation, with a direct line number of 213.972.8451. The card features several small icons, including a red 'X' in a square, and a row of four small square icons at the bottom.

Thanks.

Miguel
