Good Morning Addie,

I have placed the above-referenced document sections in the Dropbox. This is the most secure and convenient method for sharing our documents.

Once you review, we can discuss any questions or clarification that may be necessary.

Please confirm you were able to access the documents. I did not include the Table of Contents as it would be more efficient to review this section once all the edits are made in Screen Check No. 2.

I am not in the office today, but my goal was to get this document to you by today.

Thank you,

Elva
