---

Good morning Elva and Addie,

My name is Jin Hwang, and I will be working on the Water Supply Assessment (WSA) for the Hollywood Center Project. I received the WSA request letter and the check from Elva on 9/11/18.

I will review the letter and send you additional scope questions, if any. I will also send you an e-mail to arrange a water conservation meeting later.

I have a question on the developer/applicant. On the WSA request letter, the project developer, which I assume is the applicant, is shown as MCAF Vine LLC, 1750 North Vine LLC, 1749 North Vine Street LLC, 1770 Ivar LLC, 1733 North Argyle LLC, and 1720 North Vine LLC. And the check came from Mayer Brown LLP. Can you please describe the relationship between the applicant and Mayer Brown LLP? Is Mayer Brown LLP representing the applicant? Is Mayer Brown LLP the developer representing the applicant?

Thank you.
