Hi Inger,

I am available tomorrow between 10 - 11 A.M. Please just have NCR call my number (818) 374-5066 when they arrive. You can have NCR call me directly if they are bringing any special type of equipment or need access to an outlet.

Thank you,

Elva

Good Morning Inger,

Tomorrow would work better for me as I am still coordinating the emails received over the weekend and have several meetings this afternoon. Please see the corrected room number below as your email provided an incorrect room number:

Marvin Braude Constituent Services Center
6262 Van Nuys Boulevard, Room 351
Van Nuys, CA 91401

Please confirm when you will be coming in tomorrow so I can have the files ready for review. Feel free to call me if you have any questions.

Thank you,

Elva

Good morning Elva,

My name is Inger Echeverria and I am Linda Bernhardt's assistant from Amboo. She would like to move forward and make copies for the above captioned matter for today or tomorrow, but would prefer to have this done today.

I would like to confirm that the below address is where the scanning/copying would take place and if there is any special instruction is required to move forward with this assignment.

Thank you for your time,
