Subject: AB52 Consultation Request - Hollywood Center Project

Dear Ms Nuno-O'Donnell,

The Gabrielino Tongva Nation respectfully requests AB 52 consultation on the proposed Hollywood Center Project (Case No. ENV-2018-2116-EIR).

Our Tribal concerns will focus on adequate cultural resource mitigation measures for this project during subsurface construction activities. Also, our concern will be that a culturally affiliated Tribal representative from the Gabrielino Tongva Nation be on site to monitor and ensure that any prehistoric archaeological deposits and/or cultural items that may be encountered during subsurface construction activity be properly identified and recorded.

Please feel free to contact me directly at (909)262-9351 cell or email at samdunlap@earthlink.net

Sincerely,

Sam Dunlap
