Subject: Re: AB52 Consultation Request - Hollywood Center Project

Dear Mr. Dunlap,

The City of Los Angeles received your email dated October 3, 2018 (7:16 P.M.) requesting consultation on the proposed Hollywood Center Project.

Would you be so kind as to provide me with a couple of dates and times that work with your schedule for the consultation? Please also let me know if you would like a face-to-face meeting in our office, or if you prefer a phone consultation. If a phone consultation is requested, please provide a number to which I should call into for the consultation.

Thank you,

Elva

Dear Ms Nuno-O'Donnell,

The Gabrielino Tongva Nation respectfully requests AB 52 consultation on the proposed Hollywood Center Project (Case No. ENV-2018-2116-EIR).

Our Tribal concerns will focus on adequate cultural resource mitigation measures for this project during subsurface construction activities. Also, our concern will be that a culturally affiliated Tribal representative from the Gabrielino Tongva Nation be on site to monitor and ensure that any prehistoric archaeological deposits and/or cultural items that may be encountered during subsurface construction activity be properly identified and recorded.

Please feel free to contact me directly at (909)262-9351 cell or email at samdunlap@earthlink.net

Sincerely,

Sam Dunlap
