Ms. Nuno-O'Donnell,

Chairman Salas has been called to a project site this morning for the discovery of human remains. He would like to reschedule the 1pm meeting today to this Friday at 1pm. Let us know if this time is feasible or another time on Friday works better. Thank you for your understanding.

Dear Gabrieleno Band of Mission Indians - Kizh Nation,

On September 10, 2018 (previous email incorrectly referenced September 20, 2018 consultation request date) the City of Los Angeles received your request for consultation, via email, for the Hollywood Center Project. On September 11, 2018, I responded to your email requesting several dates and times that would be convenient for a phone consultation. I am following up on my email as I have not received a response to date.

Kindly provide a couple of dates and times that may work for you and your team. I will also call your office in the hopes of reaching you today. Please do not hesitate to contact me if you have any questions or concerns.

Sincerely,

Elva
