Hi Jonathan,

At your earliest convenience, can you please respond to Greg Sartan at the South Hollywood Neighborhood Association?

Thank you!

Greg,

Please find the plans for the proposed parking lot at the Hollywood Center Studios. Let me know if you have any questions.

Best,

Hi Heather –

I left a voice message this morning and following up with this email to make it easier to send over anymore information you have on this project.

I live directly across the street from the studio and can not really see by the letter sent where this parking structure will be nor know what other plans were approved or in process. Please send me any pdf and other info you may have.

Thanks in advance for your assistance,

Greg Sartin
