---

There will be two documents that need to go out. The attachment that I sent and the one in the link. I will be out of my meeting in 20 minutes and can call you. Is that too late?

Heather - no, we do not send certified and no we are unable to open second link. Plus we have already made 200 copies of the 7pager.

Is there a way to send certified? I've shared a link in a second email containing a second document that should be sent with the first document. Sorry i'm in a meeting right now so my tech is limited

Hi Liz,

I'm in a meeting but the attached notice is what would need to be mailed out with regard to this case.

Hello Heather,

Please call our office 818-779-8866 regarding questions that we have on the above subject.

THANK U!

LIZ
