Correct – they have received their copy. We will be uploading all Fedex delivery confirmations to dropbox when we get them all.

Just to verify, CREED was included on the hard-copy mailing, right?

Good morning Heather,

Just following up to be sure things are in order for posting on the website today. Also a friendly reminder to email the NOP to CREED (they've also been mailed a copy).

We're here if you need any support!
