Hi Lisa,

The Hollywood Center project includes the preservation of the Capitol Records Building and the Gogerty Building, and the construction of a 35-story mixed-use building, a 46-story mixed-use building, and two 11-story senior affordable buildings. A total of 1,005 DUs are proposed along with up to 30,000 SF of commercial uses.

There is a hotel option that would replace 104 of the market rate DUs with 220 guest rooms resulting in the construction of a total of 884 DUs, 220 guest rooms, and 30,000 SF of commercial uses.

We released the IS/NOP today.

Please let me know if you have any questions.

Thanks!

Heather
