When today will I receive the link to these documents? I really need to review soon.

Thanks,
Linda

>
> I received your voice message. I think when we spoke on the phone upon my inquiry at NCR's late arrival, it was clear the appointment was from 10:00 A.M. to 11:00 A.M. I did, however, find your comparison of NCR to the cable company humorous.

>
> In any case, I have rescheduled my next appointment and had to forego attending a public hearing in expectation of this appointment. It is now 11:00 and NCR is not here. The reason I schedule appointments is due to the fact that on several occasions, I have had two individuals come into the office to make copies of the same document at the same time. We strive to make all documents accessible to the public in a timely manner and appointments are the most efficient tool to help us accomplish this goal.

>
> Hopefully, you will be able to secure the documents you desire. I am happy to schedule a subsequent appointment with your team. Just let me know if the need arises.
