Subject: MBI review services are temporarily suspended

Hi everyone,

Due to budget constraints, MBI will have to stop reviewing our EIRs. I am working on a possible fix but for now, all review will stop as of today. If MBI is reviewing an EIR for you, please contact the reviewer to determine where they left off and what sections are in need of review.

Below is a list of projects that MBI is reviewing. If you have a project with them, I would like to schedule a follow-up meeting with the group to discuss next steps.

- 6th & Harvard (SI)
- Hollywood Center (MN)
- 2143 Violet (JM)
- Sunset Gower Studios (AV)
- Olympic Tower Project (SI)
- 1045 Olive (MZ)
- 2800 Casitas (ES)
- 5420 Sunset (PM)
- 6AM (ES)
- 3003 Runyon Canyon (ES)

I will keep everyone updated on any progress that is made to reinstate MBI's review.

- Heather
