Hi Rubina,

Happy Friday! I looked at the spreadsheet and none of the cases on there, to my knowledge, are coming to Major Projects.

Let me know if you need anything else.

Hi Heather,

I wanted to flag for your attention that we are reviewing a number of projects that have MOU's with LADOT and have not yet filed their entitlement with DCP in order to contact them regarding our VMT transition. I looked at the attached list that Will sent me while you were out. It doesn't seem like any of those projects fall into this category. But I wanted to send you our list as well so that you could take a look. Please see [tab 2 - concern project list](#). Could you please let me know if any of those 21 projects are in your shop?

Thank you,

Rubina
