Good morning Elva,

If you can, please replace the excel file I attached with the meeting notice I sent out yesterday with the one I'm attaching to this e-mail when you forward the meeting notice to the EIR consultant.

If you already sent out the meeting notice, then it's okay. Only 1 information changed on the file (cell B11 was shown as 5.5 Cycles of Concentration on the previously attached file, but now changed to 6.0 Cycles of Concentration. If you already sent it out, I can just mention it during the meeting.

Thank you so much!
