Andrei,

I just dropped off copies of the stamped Reso for both of our WSAs for the Nov 27 meeting with Claudia. She hasn't started working on it, so there is still a chance there will be formatting changes /clerical edits to the Reso. Thanks.

Good morning Claudia,

For the Nov 27 board meeting, board packages with Reso stamped by city attorney are due tomorrow (11/6/18) at 7 a.m.

We have 2 WSAs going to the board on Nov 27: Hollywood Center Project and Kaiser Permanente Los Angeles Medical Project. We have the copies of Reso stamped by the city attorney ready. Please let me know if there were any formatting changes/clerical edits to the Reso. If so, I will ask the city attorney to re-stamp the Reso today. If there were no changes, I'll bring copies of the Reso to you today.

Please let me know if you have any questions.

Thank you.
