Claudia,

I checked the secretarial website for the uploaded Board packages for Kaiser Project and Hollywood Project WSAs.

Some of the documents are mixed up.

The Hollywood Center package incorrectly contains the water supply assessment from the Kaiser Project.

While the Kaiser package incorrectly contains the Board Letter and Reso from the Hollywood Project.

Please verify. Thanks.

Claudia,

I am going to need to get the Reso restamped by the Deputy City Attorney because of the board date change. Let me know when you are done with Reso, so I can proceed. It be better to do it this week because next week it might be hard to do because of the holiday.

Jin Hwang is on vacation, so I'm go do the same for her Hollywood Center WSA.

Thanks.

Claudia,

Just wanted to know if there are any changes to the Reso for the project. I need to get the final signed by the attorney so I can get it to you on Monday. Thanks.
