Theresa wanted us to check the CEQA language was correct sometime in December (every 6 months)

I thought I'd do it now since Claudia asked Delon.

The next time will be June 2019

Thanks

Hi Delon,

Can you verify the information below so that I can move the package ahead for approval? I just received an auto-response from Jin that she is out until the 26th.

Thank you,

Hi Jin,

I am finalizing the edits on this board item.

Was the language on the Board Letter for the [Environmental Determination](#) provided by the Environmental Section?

ENVIRONMENTAL DETERMINATION

Determine item is exempt pursuant to the California Environmental Quality Act (CEQA) Guidelines 15268 (b) (4). In accordance with Section 15268 (b)(4) of the CEQA Guidelines, Ministerial projects such as approval of individual utility service connections and disconnections are exempt from the requirements of CEQA.

If not, please have them review the board letter and include the language they provide.

Thank you,

Claudia Rojo
